PAID - Packaging Intern – Wal-Mart Project

Since 1926 Hartz has been America's #1 manufacturer and marketer of quality products for pets. We are currently seeking a Packaging Intern for our **1st shift operation in the Bloomfield, NJ manufacturing facility.**

Hartz utilizes several automated packaging lines capable of running various packaging speeds and configurations of our ever expanding pet consumer products. The successful candidate will have day-to-day responsibility of working on a special project to load packaging attributes into the Wal-Mart sustainability database.

We are looking for someone with the following skills:

- Excellent PC skills in Windows XP with associated office suites
- Superior customer service and telephone skills
- Superior inter-personal and team interaction skills
- Excellent analytical and problem-solving skills
- Strong technical aptitude
- Self-motivated and goal-oriented with a track record of achievement
- Must be able to lift a 40 pound case

Salary \$12-15/hr
10-35/hours week/8 am – 5 pm,
Can work with student's schedule.
EOE., M/F/D/V
