

Logistics Project Manager-Distribution Center Posted 12/14, 2007

Description:

There are amazing opportunities at Century 21 Department Stores. We're growing fast, and to keep up with that expansion, we're always seeking talented people for our entire organization. Century 21 Departments Stores was established over 40 years ago and is known for offering designer merchandise sold at unbelievable prices.

We have 5 stores located in New York City, Brooklyn, Westbury, Long Island, Morristown, New Jersey and our newest in Paramus, New Jersey. The company is an established leader in the Retail Industry and was recently voted as New York's "Most Popular Department Store" for 2006 by Zagat. From stores and buying to merchandising and information technology, we offer unique opportunities for innovative people.

We are currently recruiting a DC / Logistics I.E. & Project Manager to join our "Team" in our Distribution Center in our Secaucus, New Jersey location.

Specific Required Skills & Abilities:

- * CAD experience
- * Improvements to DC layout and design, as well as to operational efficiencies
- * In depth knowledge and experience with Microsoft Excel and Access
- * Project Management experience
- * Development and implementation of incentive programs, especially in DC operations
- * Knowledge of Transportation and Logistics
- * Development and implementation of WMS in Distribution Centers

Additional Personal traits:

- * Ability to work independently
- * Genuine thirst for knowledge
- * Detail oriented, and thorough

Salary: \$60k to \$70k, annually

Bonus: Up to 10%

Incentives: Earned based upon performance levels and results.

For consideration please e-mail your resume and cover letter via CDS Online.
